THE HUAYEE LEGACY CONTINUES WITH THE REMOTE CONTROL LAWN MOWER SERIES.

● EASY TO OPERATE

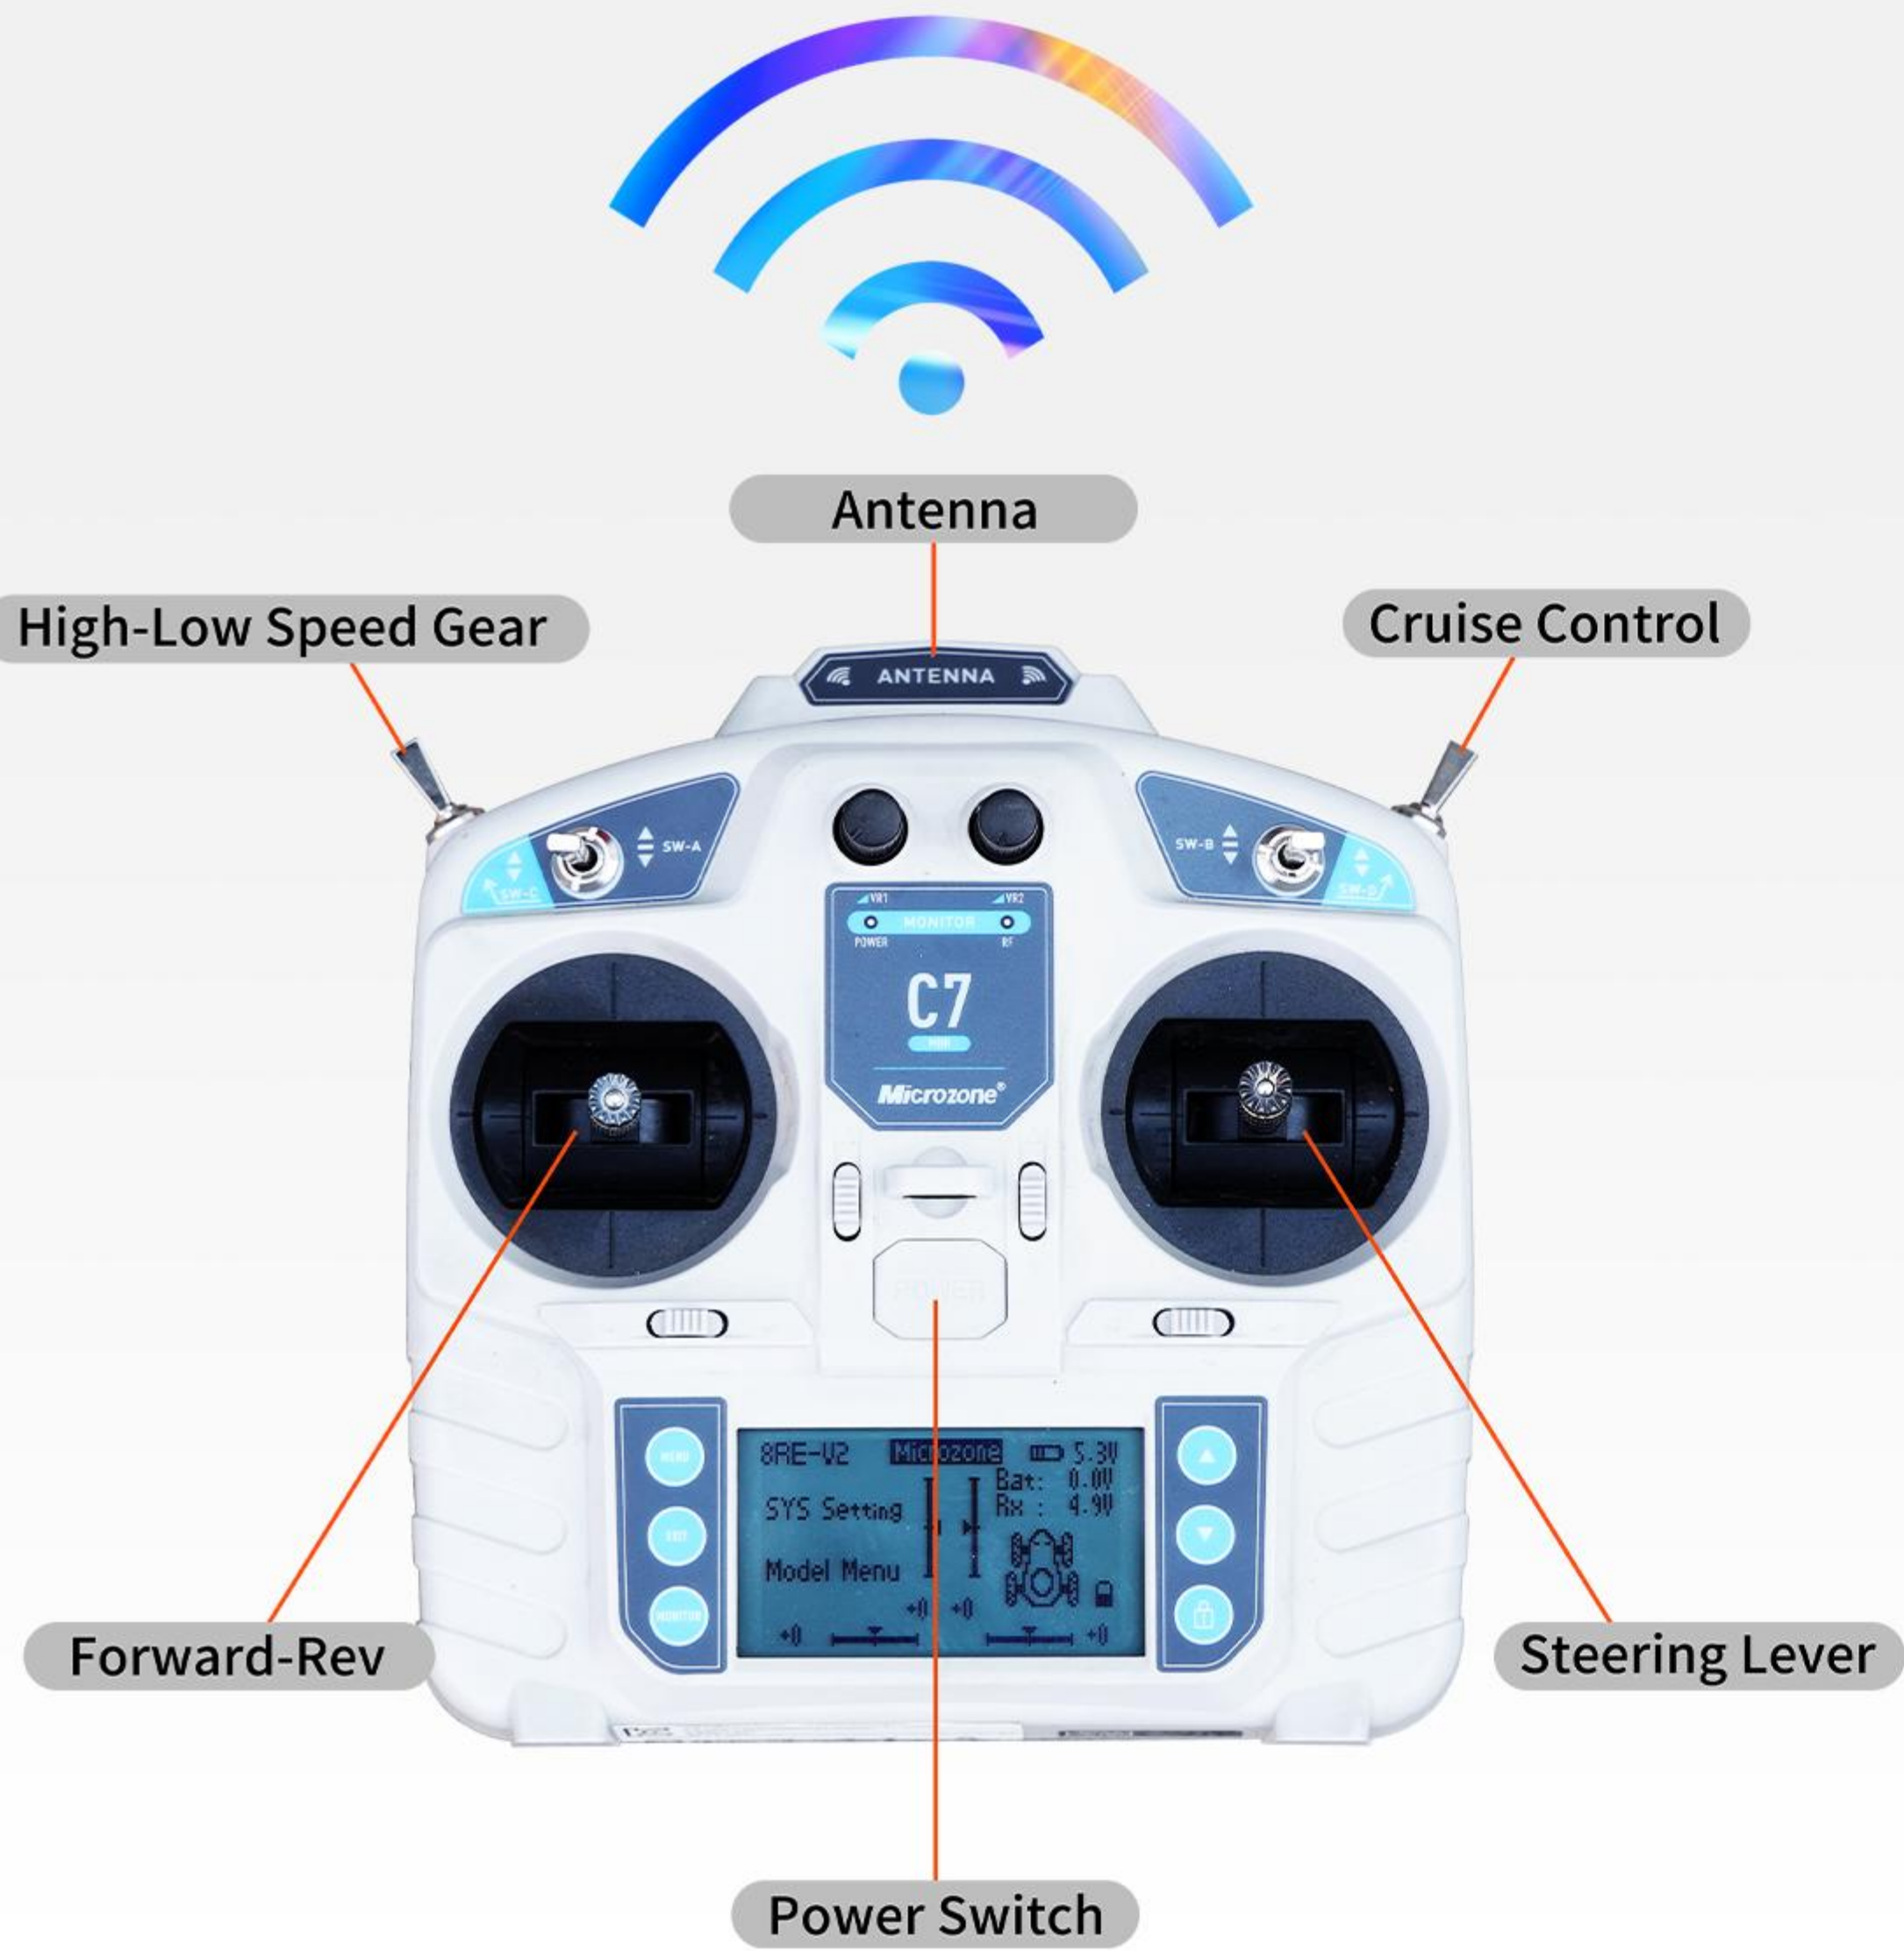

● EASY TO MAINTAIN

● SERIOUSLY PRODUCTIVE

The HYGC1200S easily maneuvers around trees and landscape beds, while the compact design of the HYGC1200S is ideal for tight spaces like gates. The nimble HYGC1200S run with purpose and load up with ease, leaving plenty of room on the trailer for more equipment.
